

Calling all nature lovers!  
**Join the Capital Region's  
 City Nature Challenge**  
**April 26-29, 2024**

How many wild plants and animals can you find in the capital region? Join the CRD and its partners in community science as we compete with cities around the world to document urban nature using the free iNaturalist app. Get outside to explore the capital region's amazing local biodiversity!

For more information and events:  
[www.crd.bc.ca/biodiversity](http://www.crd.bc.ca/biodiversity)

By entering you could win great prizes, including a **smartphone macro lens!**
